

# Year One Newsletter—Mrs Rowe`s Class

Dear Parents/Carers,

Welcome back to another year of learning, fun and friendship at Oakfield Primary and more specifically to Year One! We are really looking forward to working with you and your children this year. They are a super bunch and we have already had lots of fun this week.

Thank you for being patient whilst we change the location for school entry at the beginning and end of each day. As you can see, our building work is now almost completed and so every week we will see a step towards `normality` once again. Our school library will soon be open once again too!

It will really help the children if they come into class independently each morning so please say your goodbyes at the door!

Listed below are our PE times, however whilst the weather is still fine, please make sure that your child has their PE kit in school everyday just in case we decide to get outside unexpectedly!

As you probably already know, education is at it`s most effective when school and home work as a team. So, please support your child with reading, home learning, punctuality and attendance as much as you can—it really does pay dividends in the long run.

Thank you all in advance for your support—we really look forward to getting to know you and your families.

Mrs Rowe, Mrs Wallace and Mrs Jacobs.

We have P.E. on a  
Monday and Friday.

Please make sure that your child has a named P.E. kit in school—shorts, yellow t-shirt, plimsolls and a track suit or similar just in case the weather is chilly.

This should be in a named bag and kept on their peg.

Our class topic this term is  
**Marvellous Me.**

We will be identifying, classifying and observing humans and their lifestyles as well as observing seasonal change and how it affects us as humans.

In R.E. we are exploring the concept of Creation and it`s importance to Christians.

**Water Bottles** and **Lunch Boxes** should be brought into the classroom each morning and put into the correct place.

## **Reading Bags and Books**

Please bring your reading bag into class each day and put into the labelled box.

We will be continuing with our honesty library so that children have books to read at home. We will place the boxes containing these books outside the classroom at the end of each day so please remember to borrow and swap as much as you like.

Please check book bags each evening and record titles of books that you are borrowing in the Reading Record book so we can see how well the children are progressing.

As always if you urgently need to speak to the class teacher then please catch me at the end of the day rather than the beginning or alternatively telephone the office to make an appointment for a more suitable time.
