

## PE

PE will be on a Wednesday and Friday. Kit, which should include trainers, must be labelled in a (named) suitable bag, as we do go outside.

Children do get anxious and upset if they have to miss outdoor PE if they don't have the correct footwear. Also as the weather becomes colder, the children will need some navy or black tracksuit bottoms in their PE bag. Please can kit stay in school, as PE days can change if the weather deteriorates. We will send it home at the end of each half term to be washed.

## Mathletics

If you have access to a computer or tablet, please could you encourage your child to use the Mathletics website? Each child has their own log-in and password. Please feel free to come and see us if you have any questions or queries. The children will receive rewards and points over the year for completing tasks which are presented in class.

## Water bottles

Remember to bring in a **named** water bottle for your child. They can refill their bottles in school if they need to.

## Reading

To promote **reading stamina**, please try to hear your child read daily – or as often as possible. If you would like to read to your child too, they will benefit from encountering new vocabulary they might otherwise be unable to read themselves. Please encourage them to talk about the book they are reading and ask them questions as this will help improve their comprehension skills. There is a prompt sheet to help with this.

Remember to check the school website regularly for information, news and the weekly newsletters.

Please label your child's clothes and kit. Children naturally leave their belongings lying around and it can be far easier to locate if it has their name inside.

## HOME LEARNING

Spellings and homework will be given to your child on Fridays and will be due in by the following Wednesday. Please help your child to practise their spellings regularly to aid their good progress.

It is important that your child completes their homework each week as we are working together to ensure your child makes good progress!
