RE: Invite to join Oakfield's new Parent Community Group

Dear Parent/Carer

Would you like to become more involved in shaping your child's learning? Do you have ideas and views that you would like to share with us? Would you like to help us trial new initiatives? If so, why not join our new Parent Community Group.

I am delighted to be able to invite you to participate in a new and very important initiative for Oakfield Primary School. We are always looking for ways to involve parents as much as possible in the life of the school and in the decision making process. To this end, we are planning to form a Parents Community Group, which will play a central role in evaluating current school procedures and proposed new initiatives and will therefore be extremely important to the development of the school.

The main aims of the Parent Community Group are:

- To more fully account for parents' views in decision making
- To assist us in offering parents greater opportunity to become involved in their children's learning
- To assist us in placing parents in an improved position to help their children with school work

What we would like from you as a member of the Parent Community Group: -

- A willingness to participate in surveys about new ideas and initiatives
- A desire to air your views about the school and how it operates
- A willingness to attend several meetings at the school (probably one per term)
- A desire to continue to improve the experience of Oakfield Primary School for all pupils and parents.

We are planning to hold the first meeting of the focus group before the end of this term and, should you wish to join the group, I will send you details of this meeting shortly. If you are interested in being part of the exciting new venture and would like to be involved and find out more, please give you name to the Team in the Office in reception.

Yours sincerely

Mrs Reader
Head of School
