We are pleased to invite you to our annual Sports Day Activities on **Thursday 28th September 2017**, commencing at 13.15

The children will be competing for their house teams to foster the true spirit of sport for fun, friendship, fitness and, of course, competition. After each event house teams will be awarded points from 1st to 4th position of 20, 15, 10 and 5 respectively. Points will be calculated after the event and the winning house will be presented with the sports day trophy.
