(School Closed for Pupils)

Friday 17th February  
Break up for Half term

Monday 27th School Returns

Friday 7th April  
Break up for Easter

Dear Parent / Carer,

Welcome back, we hope you all had a very enjoyable Christmas break and we wish you all a very happy New Year.

Myself, Mrs Reader and all the staff would like to thank you all for your kind Christmas wishes, cards and gifts and for all the support you gave the children during the Christmas activities.

We are looking forward to another enjoyable term, and despite the cold weather, the children have come back keen and enthusiastic and raring to get going with their learning which is great. Please remember to make sure your child brings a warm coat, hat and gloves in this colder weather.

There has been a real buzz of hard work and fun in all the classes as I have gone around this week.

Class teachers will be getting information to you about the topics and themes for the term's learning and the website class pages will be updated, but if you have any questions about your child's learning at all please don't hesitate to contact the class teacher.

Mrs Bosworth and Mrs Reader

### Resource Request

#### Dolls / Prams / Etc.

Currently in reception we have a big interest in babies and domestic role play. However, we have a lack of dolls/ babies/ dolls prams/ accessories etc.-

If anyone has any old children's toys around that are gathering dust - we would love to take them off your hands for the children to enhance their play!

Please hand any donations into Mrs Crabb in the Reception Office.

### Change 4 life

#### FOOD-SMART APP

Have you seen the new 'change 4 life' BE -FOOD-SMART APP.

It has great resources and ideas, plus it can scan the fat, salt and sugar on food products.

There are also a lot of resources to download and use.
