

Oakfield C.E. Aided Primary - School Travel Action Plan (STAP)

Our Policy

Oakfield C.E. Aided Primary School encourages and supports the whole school community to travel more actively and sustainably where possible.

Studies show that travelling actively can help develop physical and mental well-being, social interaction, independent travel skills and good road sense. This helps ready our children for when they leave the school to go to transition into secondary education.

We currently work with a range of external providers, such as Wight Cycle Training, the 'SHIFT-IT' Awards Programme and the Isle of Wight Council, to keep up-to-date with any appropriate schemes, training or grants that help us deliver our School Travel Action Plan.

Our Current Offer

- **School Travel Action Plan** – We have a current plan that is reviewed annually.
- **Cycle Training** - We have training sessions for all ages and abilities. Bikeability is offered to Year 5 & 6 pupils.
- **Scooter Training** – We offer playground training sessions for KS2 pupils.
- **Road Safety Training** – We actively engage with National Road Safety Week, and school programmes offered by outside agencies e.g. Fire Service.
- **Cycle and Scooter Storage** – Our current storage rack is at the front of the school, which enables pupil's bikes to be stored safely and securely.

Oakfield C.E. Aided Primary - School Travel Action Plan (STAP)

Our Achievements in 2017/2018.

- Increased the number of our community travelling actively and sustainably
- Engaged with the 'Shift It' programme.
- Offered KS2 pupil's some form of cycling training

Our Plan for 2018/2019

- Offer every pupil in the school some form of cycle training – from Balanceability to Bikeability.
- Start to use the Shift-It data collection app to keep track of the school travel mode habits and trends.
- Improve our facilities for bikes and scooters by increasing scooter storage.
- Take part in an Active Travel Challenge Week.
- Achieve the BRONZE AWARD!

Planning Ahead – 2019/2020

- Complete 2 x Active Travel Challenges, which reflects the emphasis we put on healthy and active children as well as encouraging our school community to consider the environmental impact of the school run.
- Increase cycle training for children through the Shift-IT team.
- Increase frequency and classes using of the Shift-IT data collection app.
