

Below are some ideas of challenges for you to complete over the week. Please don't feel pressured to record or log any of them but we love to see pictures uploaded to Tapestry – remember dojos are given for the challenges completed! If you are having trouble with Tapestry please email KS1@oakfieldcepri.iow.sch.uk and I will set it up for you!

Maths Challenge

Using playdough, string, ribbon, spaghetti or just paper (and scissors) randomly make or cut 20 different length snakes.

Can you order them from shortest to longest?

Can you use something in your house e.g lego bricks, or pasta to estimate how long each one will be and then measure them using your chosen item.

Can you write how long each one is?

e.g 3 pasta spirals or 5 lego bricks.

Creative Challenge

Can you use items of food to make a transient art picture? This is a picture that is not stuck down, you can change it and then put the unopened food away afterwards – nothing is wasted!

You could use pasta, fruit, veg, crisps, biscuits, chocolate buttons etc.

Physical Challenge

Can you teach your grown ups how we make a 'milkshake' or 'smoothie' as a warm up in PE? Remember you must sit on the floor, legs in a V and pretend your bottom is glued to that spot! Stretching is the key! What flavour milkshake/ smoothie will you make?

Communication Challenge

Play the shopping list game with your family. How many items can you remember?

Take it in turns to say "I went to the shop and I bought... (choose something to buy e.g a carrot)" On the next persons go they have to say yours and then their choice e.g "I went to the shop and bought a carrot and (their choice) a cake..." Keep going until someone can't remember anymore!

Riddle of The Week

Answer: A chair

Reading Challenge

Can you read your school reading book from the back to the front? Read the last page first!

Does the story make any sense?

Choose a character from one story, a setting from another and a problem from another... Can you make up a new story using these?
