

Below are some ideas of challenges for you to complete over the week. Please don't feel pressured to record or log any of them but we love to see pictures uploaded to our Key Stage email address – remember dojos are given for the challenges completed!

English

Can you write five expanded noun phrases to describe summer?

An expanded noun phrase is when you use **adjectives** to describe a **noun**. E.g. The **glistening, hot sun**.

RE

Symbols

Design a symbol which represents your life and your values—get your family to help you!

Our RE for the Summer term would have been about community.

What does community mean to you?

What do you do to help your local community?

Window Wonderland of the week:

TRUST: Cat and Mouse Pictures

Riddle of the week:

What Am I?

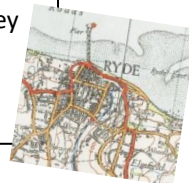

Can you name three consecutive days without using the words Wednesday, Friday, and Sunday?

Answer: Yesterday, today, and tomorrow.

Maths

Countdown

The challenge is to use the numbers available and the four standard operations (addition, subtraction, multiplication and division) to hit the target.

Each card can only be used once but it may not be necessary to use all the cards.

Challenge someone in your family to see who can get the closest to the target number.

History

Our History for the Summer term is finding out about our local history.

Write to or telephone a member of your family who, if possible, grew up locally. Can they tell you about what life was like when they were growing up. How has our local area changed? If you cannot find someone local find out about the area in which they grew up instead.

Have some questions ready to ask them. E.g. What games did you play? What was it like at school? How has the area which you grew up in changed? Which modern inventions/technology didn't exist when they were young?

Record your findings as a poster or report.

Science

Draw the changes in humans from birth to old age.
