

WB: 27.04.20	Monday	Tuesday	Wednesday	Thursday	Friday								
Maths	<u>Option 1 - BBC Bitesize lesson</u> Year 5: https://www.bbc.co.uk/bitesize/articles/zvv6t39 Year 6: https://www.bbc.co.uk/bitesize/articles/z6ynscw <u>Option 2 – Multi-step addition and subtraction</u> Bob and Jeff are saving up to buy their friend Dave an Xbox game for his birthday. Bob has saved up £4.50 and Jeff has saved up £7.25. The game costs £15.45. How much more money do they need to save? Ask a grown-up to change the amounts saved and the cost of the item they wish to buy. Can you solve it? Repeat.	<u>Estimating mass</u> Guess how much items in your kitchen weigh (no peeking). Check the packaging after to see how close you are. Work out the difference between your estimate and the actual weight. E.g. <table><tr><th>Item</th><th>Estimate</th><th>Actual weight</th><th>Difference</th></tr><tr><td>Tin of Baked Beans</td><td>400g</td><td>415g</td><td>15g</td></tr></table>	Item	Estimate	Actual weight	Difference	Tin of Baked Beans	400g	415g	15g	<u>Data Handling</u> Use the data you collected on mini-beasts or food groups yesterday to create a bar chart. Make sure you give your bar chart a title and label your axis. Write 4 sentences about the information in your chart.	<u>Option 1- BBC Bitesize lesson</u> https://www.bbc.co.uk/bitesize/dailylessons Complete today's bitesize activity for your year group. <u>Option 2 – Column addition</u> Using the number generator from your pack, make two 4, 5 or 6-digit numbers and add them together. Complete 10 different calculations.	<u>Option 1 - White Rose Maths</u> Year 5: https://whiterosemaths.com/homelearning/year-5/ Year 6: https://whiterosemaths.com/homelearning/year-6/ <u>Option 2 – Adding decimals</u> 2.3+4.7 34.1+49.2 28.5+62.9 123.2+654.4 936.24+242.21 24.543+21.643 183.21+361.72 362.12+847.56 Check your answers on a calculator or calculator app.
Item	Estimate	Actual weight	Difference										
Tin of Baked Beans	400g	415g	15g										
English	<u>Option 1 – BBC Bitesize lesson</u> Year 5 (can also be used for Year 6 revision on dialogue for Thursday's English): https://www.bbc.co.uk/bitesize/articles/zb2wjhv Year 6: https://www.bbc.co.uk/bitesize/articles/zhy72sg <u>Option 2 – Inverted commas (speech marks)</u> Inverted commas are used to punctuate dialogue. They go around the spoken words. E.g. "I am glad the sun is shining," said Mrs Stanford. Notice that the comma is also inside the inverted commas, this would be the same for exclamation marks, question marks and full stops. Write five of your own dialogue sentences. Make sure you punctuate them correctly.	<u>Adrift - Expanded noun phrases</u> An expanded noun phrase is when you use adjectives to describe a noun. E.g. The glistening, hot sun. Write five expanded noun phrases to describe this picture... 	<u>Adrift - Planning</u> Watch this short clip from Literacy Shed. https://www.literacyshed.com/adrift.html Create a story map for the animated film.  If you cannot watch the clip use the picture from yesterday's English as your stimulus.	<u>Adrift – Narrative writing</u> Retell the story of the film as a narrative. Include expanded noun phrases and dialogue between the two characters.	<u>Adrift – Persuasive writing</u> Create an advert/brochure for holidays aboard whales or different animals. Remember to use persuasive language.								
Topic	<u>Geography</u> Make a bird-eye view map of your bedroom. Create a key for the items in your room.	<u>Science</u> Go on a mini-beast hunt, either in your garden or on a countryside walk. Collect your data in a tally chart. If you cannot go out collect data from your kitchen on the different food groups: fats, carbohydrates, dairy, protein, fruit and vegetables.	<u>PE</u> Create a home workout and encourage you family to join in e.g. 10x star jumps 5x burpees 15x squats etc.	<u>Cooking</u> Help prepare today's lunch or evening meal.	<u>Art</u> Draw a picture to illustrate your 'Adrift' story or advert.
