Position of contact (store manager/director etc):

### **I understand the gravity of the government's most recent guidance to stay at home and can therefore:**

- Confirm that there are NO possible alternatives for my child to be cared for safely at home.
- Confirm that I have asked my employer to amend my hours, to avoid my child having to access Emergency Childcare.

### **Whilst my child accesses Emergency Childcare:**

- I would like them to remain 2 metres away from all other children at all times and understand that this could mean they are cared for in single isolation.
  - I am happy for my child/ren to mix with other children so long as sensible measures are taken into account such as no unnecessary physical contact, eating at a separate table and regular washing of hands etc.
- OR
- I understand that social distancing will be applied by all members of staff whilst my child is in their care, except in the event of an emergency.
  - I understand that my child will not be educated during their time at Oakfield and that it is purely Emergency Childcare to keep them safe whilst I complete critical work.
  - I understand that a large proportion of their day will be spent outside (weather permitting).
