Maths	Log on to Daily BBC Bitesize if that's your routine. Alternatively, have a go at this problem: 640 x x x x x y y y y y z z z z	Log on to Daily BBC Bitesize if that's your routine. Alternatively, have a go at this problem:	Calculate the difference between these 2 products: 2 x 2 1/2 3 x 3 1/2 You might like to draw circles split in half to help.	Log on to Daily BBC Bitesize if that's your routine. Alternatively, write these numbers as words: 8585,000 105270,430 1,6091,540,225	Log on to Daily BBC Bitesize if that's your routine. Alternatiively, use your skills of finding 1%, 10%, ½ and ¼ to calculate:
	English	At the beach Think about a time when you have been to the beach: make a list of all the things you see, hear, smell, touch, taste and how you feel when you are there. You might like to draw a spider diagram for each sense.	At the beach Use your ideas from yesterday to write a senses poem about being at the beach. I can see... I can hear.... I can smell... You might like to illustrate your poem to further entertain your reader.	New to the beach! Which new activity do you think should be at the beach for you to enjoy? Choose 1 or design one of your own and write a short speech to persuade me to agree! 1. Hover boards 2. Parasailing	At the beach Design a new ice lolly for Appley Café to sell. Write a description so that customers know what they are buying!
Topic – alternative activities see - https://www.thenational.academy/online-classroom/year-5/schedule	Spanish Use this word bank to create a weather report: <u>el tiempo</u> Hoy, en Ryde (today in Ryde) hace sol= it's sunny hace viento = it's windy está lloviendo = it's raining está nublado = it's cloudy <u>Add in the days of the week:</u> lunes, martes, miércoles, jueves, viernes, sábado, somingo Hoy, martes, en Ryde hace sol.	Art If you can get to the beach, find an interesting rock to take home with you. Use paint or felt pens to draw a design to match its shape. Alternatively, you can draw your rock design on paper or create one using your computer e.g. using shapes in Microsoft Word. http://www.quayarts.org/?s=rocks	Science <u>Grow a Rainbow</u> https://www.youtube.com/watch?v=8iZCNnYewmk Using kitchen roll or layered tissue, colour one end with the start of a rainbow. Dip it into water and watch the rainbow grow up the paper!	Local History Facts Use the internet to find the answers to these Isle of Wight quiz questions: 1. When was the first Isle of Wight festival? 2. How many children did Queen Victoria and Prince Albert have? 3. The island is home to Sciurus vulgaris – what is this? Send your answers to our uks2 email ☺	PE - control Using things you can find in your garden or home, design a crazy ball run. You could use socks, books, pencils, skipping ropes, stones to make a trail for you to follow with a ball. - Can you control the ball well with a bat, spoon, ruler, your foot, hand? - How long does it take you?
