Reading and Writing	Pirate Passport!  Create your own Pirate Passport! What is your Pirate name? What do you look like? Who is in your family? What do you like?	Wanted! Captain Redbeard! Ahoy! I need your help. We are trying to find Captain Redbeard! He has not been making the right choices so we must warn everyone! Can you make a wanted poster to warn the people? Draw a picture of Captain and write some descriptive sentences about what he looks like!  	Treasure Map, where to go? Remember that wanted poster you made to warn the people? Well someone said they saw him! But we don't know how to get there, can you help us? We need a map to help us find our way to the Pirate Ship. There are trees, sand mountains, a bridge across a river and then at the edge of the Pirate Island is Captain Redbeard's Pirate Ship! He has been hiding in there with the treasure all this time! Can you help us? Don't forget to label the map! 	A Message in a Bottle! Ahoy! Yesterday on our way to find Captain Redbeard we saw a glass bottle washed up on the shore. We picked it up and there was a note inside. We opened the bottle up and read the message. What do you think the message said? Could it have been a warning? Was a Pirate lost? Can you write your own message in a bottle? 	Pirate Puppet Show! We have made it to the end of our Pirate Adventure! Thank you for all your help, you have been a great Pirate! We would like to put on a Pirate Puppet Show for the people. Can you help us one last time? We need pirate hats, pirate swords, pirate flags, pirate ships, treasure chest and most importantly us pirates! Draw all the different props and characters you need and put on a puppet show of your Pirate Adventure for your family! 
Maths	Pirate Themed Number and Place Value Challenge Cards 1. How many pirates are there? Show a friend how you found the answer.  How many did you find? Can you find a different or quicker way to count these pirates? In 2s or 5s?	Double Trouble! Ahoy Pirate! I know we asked you to pack lots of food for yourself for this Pirate Adventure... but we forgot to tell you that you need food for your parrot too! It should be easy, you just need to double your food! You need to double: 3 bananas (3+3) 2 loaves of bread 4 apples 1 chocolate bar 5 bottles of water  Pirate challenge! Can you add them altogether?	Directions – Which way to go? You know that map you made us to help find Captain Redbeard? I forgot to tell you that we can't read... Please could you tell us the directions we need to go? Have a go with your family! Tell them to go 2 steps forward, turn right and go 3 steps forward! Use your map to help you get the right directions, write them down so you don't forget!  Forward 3, turn left, forward 2, turn right, forward 1	That's not fair! Ahoy! Now that we have found Captain Redbeard and the hidden treasure, we need to share the coins between the Pirate crew! Can you help us?  There are 5 pirates and 20 coins. Can you share them into the 5 pirate bags? Is it fair? Do all Pirates have an equal amount of coins each? 	What time is it? Well done for completing your Pirate Adventure! Just one more thing... The doors for the Puppet Show will open at 2 O'clock. It will take 15 minutes for our audience to arrive and sit down. What time will the show start?  The show is 30 minutes long. What time will the show finish?
