

	Monday	Tuesday	Wednesday	Thursday	Friday
Phonics	Practise all sounds and tricky words on the sound card. Ask an adult to write these words onto paper shells. Light card farm sight dark fight mark shark tight right bark park  Sort the 'igh' and 'ar' words into	Practise all sounds and tricky words on the sound card. The ship has sunk. Is it a starfish? It has lots of legs. Ask a grown up to write out the sentences with sound buttons for you. Can you read them and draw a picture to go with each one?	Practise all sounds and tricky words on the sound card.  Can you write a sentence to go with the picture? Don't forget finger spaces. See if you can include any of our tricky words without looking how to spell them!	Practise all sounds and tricky words on the sound card. igh ow air ar ear sh ure zz Can you think of and write down a word with each of these digraphs/trigraphs in?	Practise all sounds and tricky words on the sound card. Play a game with your grownup. Ask your grown-up to read a sound to you from the sound card. Can you write the sound down? You could use different colours! How many can you get correct?
English—Reading/ Writing	What can you see?  Write two sentences about the picture, 	Somebody Swallowed Stanley! Listen to the story of 'Somebody swallowed Stanley' by Sarah Roberts on you tube. https://www.youtube.com/watch?v=uf4b4no8ric 	Important message! If you did not manage to listen to the story yesterday, the message was about pollution in the ocean making fish and sea creatures poorly. Can you draw a picture to encourage people to recycle their rubbish to protect our oceans and sea creatures? 	Sea creatures  How many different sea creatures can you think of? With the help of a grown up, make a list of them all.	A Fact book Choose a sea creature from the list you created yesterday. Do some research or have a chat about this sea creature with an adult. Can you make a fact book about that creature? Where does it live? What does it eat? What can it do? 
Maths	Count backwards!  Count forwards 1-20, then challenge yourself to do I backwards. Ask an adult to give you any number between 1-20, can you say the next number and the number before?	Count & draw it out 2 fish were swimming in the cave. 5 more fish swam in. How many fish were in the cave now? 	Count & draw it out Lancelot caught 10 fish. 5 of the fish escaped. How many fish did Lancelot still have? 	Size of sea creatures Did you know a Blue Whale can grow up to 25meters long? Do some research about how long other sea creatures grow to! 	How much water? Finley the Fish needs to find a container to go on holiday with his owner in. Can you explore some containers in your house and use a cup to work out which one holds the most amount of water? Record how many cups of water each container holds. 

Below are some ideas of challenges for you to complete over the week. Please don't feel pressured to record or log any of them but we love to see pictures uploaded to Tapestry – remember dojos are given for the challenges completed! If you are having trouble with Tapestry please email keystage1@oakfieldcepri.iow.sch.uk

Language and Communication Challenge

Play eye spy with a family member using this under the sea picture. Remember to use phonics for initial sounds. E.g. sh for shark

Website of the Week:

<https://www.natgeokids.com/uk/discover/geography/general-geography/ocean-facts/> Go and explore some wonderful Ocean activities and enjoy learning some new information!

Window Wonderland

Display your pictures in your window! This week we'd like the pictures to represent:

Have a look around your home and find 2 things that you think will float and 2 things that you think will sink. Ask a grown up to help you test if you are right.

Creativity Challenge

Ask a grown up if you can go for a walk down to the beach. Have a look around and see what natural materials you can find. Can you make a picture with the things you found? We'd love to see a picture on Tapestry!

Water Safety

Talk to a grown up about how to stay safe around water, particularly the sea as we live on an island.

Can you make a poster about how to keep safe when at the beach and in the sea?

Spanish Challenge

Use this link to learn how to say the names of 5 sea creatures in Spanish!

<https://www.lightbulblanguages.co.uk/home-spanish.htm#1120>

What am I?

1. I can be lots of different sizes.
2. I have no brain.
3. I can change colour and I might look see-through.

Answer: a jellyfish

Reading Challenge

Can you look in a book and find any of these words? Which words did you spot the most times?

he
she
we
me
be
you

all
are
her
was
they
my
