

RE at Home – Week 2 (15.06.20)

How do you think **we** look
after God's world?
Should we **change** anything?
How do you think we **should**
look after God's world?

If you were God, how would
you create the world?
Would you do anything
differently or keep anything
the same?
Follow the seven days.

In the beginning, God
said "let there be light".
What if God never asked
for light.
How would that change
the world we live in?

Have you ever created
something that you were
really proud of?
What was it?
Why were you proud of
it?
