Maths	Angles Design your own flag that contains acute, obtuse and right angles.  https://www.bbc.co.uk/bitesize/topics/zb6tyrd/articles/zg68k7h	Angles There are 180° in any triangle and on a straight line. Calculate the missing angles here: 	Shape logic problem  Please email us for a trickier problem	Tangrams Draw this tangram (ancient Chinese puzzle) onto paper, cut out each shape and investigate how many different pictures or patterns can be made. 	Lines Match the flag to the description (excluding the outline of the flag) A. I have only vertical lines B. I have only horizontal lines C. I show 5 acute angles D. I show horizontal and vertical lines 
English	Japanese Haiku Poems Write your own set of 3 lined Haiku poems about your topic of choice (animals, food, family, your hobby). Line 1: 5 syllables, Line 2: 7 syllables Line 3: 5 syllables <i>Foxes are sneaky Pouncing quickly on their prey No chance to escape</i>	Classic English Poetry I wandered lonely as a cloud That floats on high o'er vales and hills, When all at once I saw a crowd, A host of golden daffodils; Beside the lake, beneath the trees, Fluttering and dancing in the breeze. - William Wordsworth  Have a go at learning and performing this poem at home	Kenyan Safari  Have a look on this website https://www.naturalworldsafaris.com/africa/kenya/information and make some notes about Kenya, it's wildlife and landscape. Use other sites once an adult has checked. Design a leaflet or presentation to advertise Kenya and what it can offer as a safari holiday destination. Your work will need to be clear, colourful and persuade the reader (families, walkers, couples) that this is a destination not to miss!	Aesop's Fables Fables are short stories with a moral ending. Do you or your family know any? Have a listen here and write down the morals of the stories you hear. https://www.bbc.co.uk/teach/school-radio/english-ks1-ks2-aesops-fables-index/z73s6v4	
Foundation	MEXICAN MIRRORS  Cut out a large circle (or use a paper plate) and inside, draw 2 smaller circles with a black pen Design and colour your own repeating pattern using triangles, squares and dots/circles Stick a circle of foil in the middle. Etch a pattern onto the foil with a pencil.	French Crêpes  Mix 140g plain flour with a pinch of salt in a bowl Combine 200ml milk with 100ml water and gradually whisk into the flour. Add the eggs. Leave batter to rest for 30 mins. Heat a little butter in a frying pan and add enough batter to cover the bottom of the pan. Turn when golden. Share your crepe making photos with us!	 OLYMPICS AT HOME The 2020 Tokyo Olympics has been cancelled this summer but we would love to see your home Olympics! Design your own Olympic emblem (look online for ideas) Compete against your family members in races, throwing events, gymnastics challenges. You could each represent a different country. Each country who host the Olympics are allowed to choose a new sport for countries to compete in—what would yours be?	 AROUND THE WORLD QUIZ Which country has the longest coastline? When and where in the world was the hottest temperature ever recorded? Where is the world's tallest building and how high is it? What is Sashimi and where is it from?
