

CJ	Monday 1 st June 2020	Tuesday	Wednesday	Thursday	Friday									
Maths	Log on to Daily BBC Bitesize if that's your routine. Alternatively, have a go at this problem:  6 is a very special number. The factors of 6 are 1, 2, 3 and 6. If we add the factors other than 6 we get 1+2+3=6. Can you find another perfect number?	Log on to Daily BBC Bitesize if that's your routine. Alternatively, have a go at this problem: Tick the shapes that show a correct line of symmetry. 	Can you fit the numbers 1 to 9 into every box, so that each row, column and diagonal add up to the same total? How many ways can you do it? <table><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr><tr><td></td><td></td><td></td></tr></table>										Log on to Daily BBC Bitesize if that's your routine. Alternatively, write these numbers as words: Kim has four coins. - The coins add to a multiple of 10 - The total amount is more than £1 - All the coins are silver. - The total is less than £1.50 a) Which four coins could Kim have?	Log on to Daily BBC Bitesize if that's your routine. Alternatively, have a go at this problem: How many triangles are there hidden in the pattern? 
English	Animals – Meerkats https://youtu.be/tY_Co0i6mwA?list=PLerzh9gR8RL3rmrQyLZeamC4lp3gLP1F Watch the virtual clip about meerkats (made at Chester zoo during 'lockdown') and answer the following 4 questions: What is a group of meerkats called? How many meerkats are there at Chester zoo? What equipment is used to identify different individuals? What is the role of the sentry meerkat?	Meerkats animation – 'Catch it!' https://www.literacyshed.com/uploads/1/2/5/7/12572836/catch_it_trim_825.mp4 Enjoy the story! Now re-tell the story from a meerkat's point of view OR Create an alternative ending to the story!	Animals – Red Pandas https://youtu.be/p53Glw5Nzro Watch the virtual clip about red pandas (made at Chester zoo during 'lockdown') and answer the following 4 questions: How old are the cubs at the zoo? What is a crepuscular animal? How many red pandas are left in the wild? Where are red pandas from?	Animals Choose an animal to create a fact file for. Research your animal using books or the internet. Include the following in your fact file: - Description - including pictures - Habitat - Diet - Animal behaviours - Lifespan and number of young - Social behaviour 										
Topic – alternative activities see - https://www.thenationalacademy/online-classroom/year-5#schedule	Spanish  es = is no es = it isn't WORDREFERENCE- online dictionary Make an animal fusion drawing with the body of one animal and the head of another. You can use https://switchzoo.com/zoo.htm to create a picture online. Use the sentences below to make your own sentences. No es un caballo. No es un mono. Es un moballo. = It isn't a horse. It isn't a monkey. It's a morse.	Art Can you make an animal from recycled material?  Alternatively, you can draw or make a collage of your animal and use paint / felt tips to colour it!	Science Test your animal pet knowledge! https://www.bbc.co.uk/newsround/52441875 How many questions can you get correct? 	PSHE Sun Safety Reminder! https://soltansunready.com/for-families/The-science-of-sun-care Deign your own sun safety poster for families (use the video clip to help you) 	PE Make up your own game or sport! e.g How many pairs of rolled up socks can you score in the laundry basket? OR Tin can bowling! GET CREATIVE! 									

Upper Key Stage 2 – Home Learning. All activities optional. No need to send anything in but send in if pleased and proud.
