Watch this short-animated movie with an adult and make sure you have your thinking brain ready. Talk to your adult about what you see.

Who do you think the man is and why is he on the boat in the sky? How is he feeling? Why does he need help? What is the noise and what happens next?

Can you come up with an ending? You could write, draw, paint, make a comic strip, act or even write a song! Whichever you prefer. We would love to see your ideas!
