

	Monday (Space Day) Follow the link below to listen to this story. Can you read along?  https://www.youtube.com/watch?v=5ZgsKlpDu5U Winnie looks up into space through her telescope. Can you imagine you are looking through it? What can you see? Write sentences to tell me what you can see. Challenge – Can you include an expanded noun phrase?	Tuesday (Minibeasts Day) Follow the link below to listen to this story. Can you read along?  https://www.youtube.com/watch?v=IM9rgv3FLJA&t=130s Think of an adjective to describe each of the minibeasts in the book but the adjective must start with the same letter as the minibeast. Just like the author! Spooky Spider, Buzzy Bee, Wiggly Worm	Wednesday (Under the Sea Day) Follow the link below to listen to this story. Can you read along?  https://www.youtube.com/watch?v=nAsWp7RQqr8 Pick 5 rhyming words in the book and see if you can think of more words that rhyme. Write a list of all your rhyming words. Challenge – Can you use some of your rhyming words in a sentence?	Thursday (Pirate Day) Follow the link below to listen to this story. Can you read along?  https://www.youtube.com/watch?v=ZA6tEvWno8c&t=84s Pick your favourite pirate from the book. Write sentences to describe what they look like. See if someone in your family can guess which pirate you chose.	Friday (Superhero Day) Follow the link below to listen to this story. Can you read along?  https://www.youtube.com/watch?v=50wydyO2xnl You are about to become a superhero just like Eliot. What will your super power be? Can you write a book about one of your superhero adventures? Don't forget a picture for the front cover!										
	Winnie passed all the planets in our solar system. Did you see? Can you make the solar system?  You can draw it, paint it, use lego, use food or you could use materials from around your house. 	Go outside and see what things you can find! Collect some leaves, feathers, sticks, flowers or stones. Then using your nature finds, can you make some minibeasts? Here's some ideas for you: 	Choose one of the under the sea creatures mentioned in the book. Can you draw or do a collage of your chosen sea creature? 	Can you remember which materials sink and float? Have a look around your house and see what you can find to make a pirate ship that floats.   	You are about to become a superhero but ... you need your own disguise. Can you make your own superhero costume ready for your superhero mission?  Don't forget you'll need a mask to cover your true identity!										
	15 people are going to be at a space themed party! How many packets of each item are you going to buy?  6 per pack 6 per pack 4 per pack 8 per pack How many of each pack will you need if 24 people are going to be at the space theme party?	Bug hunt! Pick five minibeasts you are going to look for. Draw a tally chart (ask an adult to help). Then go and look for the minibeasts you have chosen. Every time you see one draw a tally line. <table><tr><th>Insects in the garden</th><th>Tally</th></tr><tr><td></td><td> </td></tr><tr><td></td><td> </td></tr><tr><td></td><td> </td></tr><tr><td></td><td> </td></tr></table> How many of each minibeast did you find? What was the total number of minibeasts you found?	Insects in the garden	Tally									Which sea creatures below have a vertical line of symmetry?  Draw your own sea creature that has a vertical line of symmetry.	Maths Challenge Cards Iris has 28p. How could she spend it?  How many different ways can you find? Can you draw the coins you would need to make 28p? How many different ways can you pay 28p?	Eliot, becomes a superhero at midnight. What time will you become a superhero? Draw a clock to show the time you will turn into a superhero.  Your superhero powers only last for 3 hours and 30 minutes. What time is it when you return back to yourself? Draw a clock to show me what time your superpowers end.
