HD		Monday	Tuesday	Wednesday	Thursday	Friday
English		Creative English tasks this week are all about plays, music, poems – watch, listen, read, create and enjoy! <i>A Midsummer Night's Dream by William Shakespeare</i> Write a cast list - note down as many different characters as you can while you are watching the play. Who is the funniest? https://www.bbc.co.uk/iplayer/episode/b078jltg/cbeebies-presents-a-midsummer-nights-dream?collection=shakespeare-week	Limericks There once was a man from Peru Who dreamt that he swallowed his shoe. He woke up in fright In the mid of the night To learn that his dream had come true! These are 5-line poems; the first, second and fifth lines rhyme with each other and the third and fourth lines rhyme with each other. Have a go!	Chocolate Cake This is a poem by Michael Rosen. It is made even funnier for the listener by the way he reads the words! Act out how you would steal a piece of chocolate cake! https://www.youtube.com/watch?v=7BxQLITdOOc	STORY SPINNER Listen to 'Anancie and the drum of common sense' Enjoy the story and draw some pictures to help you retell the story to a family member. https://home.oxfordowl.co.uk/storyteller-videos/storyteller-videos-the-story-spinner/	MUSIC TELLS A STORY Musical instruments tell the story today! Listen to Peter and the Wolf and match the characters to the instruments: Peter: Cat: Oboe: Duck: Wolf: Grandfather: Strings:
	Maths	DENS Making dens is a fantastic way to problem solve, thinking about angles, height, length and shapes. Can you make an indoor or an outdoor den? Could you make a small scale den for a toy? Measure the height, length and width of your den. How many people/toys can fit inside it?	The ice cream shop offer four flavours on their triple-scoop cones (vanilla, chocolate, strawberry and raspberry). So you can have vanilla, strawberry and chocolate (the order doesn't matter) or triple raspberry or... How many different combinations of three flavours are there? ANSWER:	TWISTS AND TURNS 1. Draw a closed curve 2. Take it in turns with a partner to shade in a section of the curve. 3. Rule: your own coloured sections cannot touch at an edge. 4. The last person to colour a section without a shared edge is the winner!	NO GAPS Investigate which shapes can be joined together again and again without any gaps – this is called TESSELLATION	A bucket holds 10 litres of water. Maz pours two full buckets of water into an empty barrel. The barrel is now half full. How many litres of water can the barrel hold?
Topic	DRAWING	DRAWING Being an architect means designing or re-designing spaces for a purpose – working, living, playing. Your job today is to design your dream home – using a ruler and pencil only. Look at the design below or Google 'kids architecture' for ideas:	PE Did you know that the world record for the most kick ups in a minute is 339? How many do you think you could do? Choose an activity and estimate how many times you think you could do it in a minute. Set a minute timer and complete the activity. How close was your estimate? Use the internet to investigate some minute world records and see how close you can get!	PHOTOGRAPHY No doubt your family have taken lots and lots of 'lockdown' photos. Can you choose your top 5 to represent your time out of school? Send them to the lks2 email address with your explanation.	SPANISH KAHOOT! Toys, games and creativity. Game pin: 08890033	ART Take a virtual tour around the Van Gogh Museum in Amsterdam. Can you find these paintings: 'Irises' 'Apples' Choose one of these to copy in your own style.
