A love of Reading

This year we want everyone to enjoy the books they are reading and share books they have enjoyed in the past. We have begun reading War Horse by Michael Morgurgo in class and will be exploring different genres of books and a wide variety of authors.

Look out for our school reading challenge!

Welcome back! We hope you had an enjoyable Summer.

In English, we will be looking at building on our skills in writing and developing a wider range of language to make our writing more exciting.

Our Maths focus will be on place value with a running theme of multiplication throughout the year. Our topic this term will be based around the History of World War I, we have started this with the introduction of our class book, War horse. In Science, we will be exploring animals including humans.

Water Bottles

It is important for children to be kept hydrated throughout the day. Please ensure that they have a drinks bottle labelled with their name.

COVID We will be washing our hands, following the one way system and spending more time outside to reduce the risk and to keep ourselves healthy.

Homework

This will be completed weekly. This will include spellings on Spelling Shed and TT Rockstars.

The children all have their passwords for this inside their new reading diaries. In Year 6, the children may also bring home an additional piece of work to support their maths or literacy and to begin the preparation for Secondary school.

Remember to check the school website and parent mail regularly for information, news and the weekly newsletters. You can still email Mrs Scovell using uks2@oakfieldcepri.iow.sch.uk.

It's beginning to get a little chilly during the day, especially in the mornings. Please ensure your child has a school jumper to wear during the day. Your child also needs a warm waterproof coat in school daily, as playtimes are outside in all weathers.
