

**Autumn 2 Class
Newsletter - EYFS
Mrs Rowe's Class**

Our theme this half term is...

**Celebrations and
Festivals**

We have all returned to school full of smiles and energy this week!

We have welcomed Mrs Parker to our team of teachers in Early Years!

Please remember that your child needs a water bottle, spare clothes and wellies please so that we can continue to play outside whatever the weather!

Look out for our weekly Tapestry blog with photos of all that we get up to!!

Please share with us any special events or fun activities that you get up to with your child out of school – we love to see photos and hear stories!

This term we will be finding out more about each other and ourselves through learning about how we and other people around the world celebrate special events. This week we have been doing lots of activities relating to Bonfire Night. Next week we will think about Remembering, then Diwali, Hannukah, Birthdays and finally Christmas – the birth of Jesus!
