A love of Reading

Our library day is on a Friday, and everyone is encouraged to take books out to read and enjoy!

Welcome back after a somewhat wet and windy half term break. We are settled into routines and looking forward to the next few weeks of learning together in the run up to Christmas. In English, we will be writing non chronological reports and exploring a fabulous, up to date version of The Grimm Tales by Phillip Pullman. Our Maths focus will be on multiplication and division; fractions, decimals and percentages and shape. Our topic this term continues to be focused on the History of World War I and II, with specific reference to Remembrance during the month of November. In Science, we will be exploring Light and how we see including how periscopes were used during WW1.

Water Bottles

It is important for children to be kept hydrated throughout the day. Please ensure that they have a drinks bottle labelled with their name.

It can be very cold in and around school. Please ensure your child has a school jumper to wear during the day. Your child also needs a warm *waterproof coat* in school daily, as playtimes are outside in all weathers.

PE

Our PE days are currently Tuesdays and Wednesdays. Remember to wear your PE kit, but wear warm clothing. Our uniform is dark colours, blue / black leggings or tracksuit. You can also wear your usual school jumper and red t shirt! Remember to wear trainers and bring a warm coat that you can use for PE outside.

COVID We will be washing our hands, using hand sanitiser, following the one way system and still spending time outside to reduce the risk and to keep ourselves healthy.

Remember to check the school website and parent mail regularly for information, news and the weekly newsletters. You can still email Mrs Scovell using uks2@oakfieldcepri.iow.sch.uk.
