

Mrs Bridle's Year 2 Class Letter – Autumn 2 2020

I hope that you all managed to enjoy the half term and the weather during the first week.

This term we are still looking at traditional tales and in particular the Hare and the Tortoise. We have linked this to our Maths and have been measuring how long the racetrack might have been that they raced around. We will be writing a recount of the story too.

This term we are also working towards the phonic screen that should have taken place last year. I will send some phonic sounds home so that if you wish to practice the sounds with your child if you can.

Please make sure your child has a water bottle in school everyday so that they do not become thirsty. We do not carry spare bottles in school and so it is important that children have their own.

Mrs Bridle

Tapestry!

Please continue to check Tapestry as we post updates and notices on here for our class.

Also, feel free to take photos and share any learning that goes on at home! We love to see what the children get up to when they are not in school.

Key Information

PE is on a **Thursday** for all KS1 classes; please make sure that they are wearing trainers or plimsols on a Thursday

Forest School for our class will now be on a Thursday morning for the whole of the term. This has changed from the original date due to rearranging staffing. It will take place outside as much as possible. Either wellingtons or old clothes can be worn to school on these days. It is important that the children are warm.

Reading Books

We have decided that the reading books need to come into school on a Monday and we will try and get them back to the children on Monday or Tuesday. We have been lucky enough to secure another member of staff to hear readers, which is fantastic, and we will keep our own records at school.

If your child reads any book/comic from home please do write that in the reading record as well.
