

EYFS 'Choose Your Own Learning' COOL Time Pick 'n' Mix Grid

This is a new addition to your remote learning! You will find a selection of activities that you can pick and choose from (if you wish) at your leisure to link with and enhance the learning on your grid. You will need to have completed the learning on the grid beforehand. These are activities for you to have a COOL down!

How many will you choose this week?

Colour the balloon in when you have completed one!

We can't wait to see what you have been up to during 'COOL' time at home this week! Send pictures/videos to your teacher on Tapestry!

Fancy Fish Craft

Make a fish from any craft materials you have at home - decorate it in your own design and display in your house so that other people can see it and you can talk about it!

Flapping Fish Race Game

Cut a basic fish shape out of paper.

Lay it on the floor - now get an old magazine or newspaper - flap it near the fish to make it move.

Have a race with your adult or your brothers and sisters.

Who will win?

Sea Facts

What do you already know or what can you find out about our seas and oceans?

Write a list.

Look at the book together with your adult.

Highlight with colour all the Super Power Tricky words you find.

How many are there in this book?

I	no	to
	the	
into		go

Keeping Fit and Healthy

Choose your favourite way to make your heart beat faster every day!

Dancing, jumping, running, cycling, walking, climbing.

Send us some photos so we can see how you get on!
