

Welcome Back to EYFS

Hello Everybody!

I am so excited to be able to write 'Welcome Back to School'. We are all longing to see you again and can't wait to share stories, games, learning and fun in our Early Years classroom and garden!

We have loved seeing you on the Tapestry Registration every day and thank you all for keeping in touch with us during the lockdown!

From Monday 8th March Mrs Wallace will be joining us as part of the team in EYFS – we are very excited about this and know your children will be too!

Our classroom is sparkling, thanks to the 'tidy up and cleaning fairies' (Mrs Parker, Miss Goddard and Miss Knight) and ready for you to come and play to learn!

Arrival at school will once again be via the vehicle gates and a member of staff will be there to guide you on Monday. As the weather is still cold, please remember to bring a water bottle, a warm coat and waterproof shoes or wellies!

Please bring your reading popper wallets into school with you on Monday so that we can change books and give you your school reading book bag too!

If you or your children are feeling worried ahead of Monday please remember that these feelings are entirely normal and we will do all we can to make this step as smooth and positive as we possibly can. There will be lots of opportunities in class during the next few weeks to chat through our thoughts, feeling and worries! If you have a specific query then please message me on Tapestry or phone the school office on 563732.

Have a lovely weekend – and we will see you for 'Magic Bagel Breakfast' on Monday @ 8.40am!!

Love From Mrs Rowe, Mrs Bright, Mrs Wallace, Mrs Parker and Miss Knight xxxx
