Headteacher: Mrs Vikki Reader

22<sup>nd</sup> March 2021

Dear Parent/Carer,

As part of our Science and Personal, Social, Health Education lessons, year 6 will be learning about 'Changes' between now and the end of the summer term. To support our learning, we will be using material from 'Rethink Periods' and the BBC's 'Ask Lara' alongside our usual SCARF resources. The focus of this work relates to; physical and emotional changes during puberty, different relationships, human reproduction, the development of babies (growth) and self-worth.

You may find that your child wants to talk to you or ask you questions about the topic at home, or you may like to take the opportunity to talk (more) to them about changes (puberty, boyfriends, girlfriends, trust etc) before the work starts in school.

If you have any queries about this topic, the resources we use in school or if you'd like to speak to us about withdrawing your child from any non-statutory lessons, please contact the office to arrange to speak to us. Our PSHE and Relationships and Sex Education policies are always available to view on the school website

Yours Faithfully,

Mrs Stanford and the year 6 team
