

Year 1 (SK)

# WELCOME BACK TO SCHOOL

We are so excited to see you all on Monday and we have missed you all very much. We are going to have lots of time to chat and play with our friends, and the adults, and to settle back into school. We will still be in our class bubble, but we are the best bubble around and know exactly what to do. Miss Kent, Mrs Eldridge and Lainey cannot wait to welcome you and we will be joined by Miss Deans too. Miss Walls will also be back after Easter too! We are lucky to have lots of adults in our bubble.

We have been blown away by the number of photos, work, and comments on Tapestry since January the 5<sup>th</sup>. At last count, approximately 2000 communications! Thank you so much for supporting your children and the school. We would love for you to keep sharing on Tapestry as it is such a valuable learning and communication tool. We have loved the live registers each day including Thursday Quiz, Friday Disco and Pet Register. Seeing the children share their news and check in has helped the class staff stay upbeat and positive, so thank you.

## Fantastic News

Forest School will begin again for Year 1 every Monday afternoon beginning on our first day back.

Please make sure your child has warm clothing with long sleeves and brings along their wellies for the forest too. We have all weather suits for the children to wear also if needed.

We will have PE each Friday morning.

## Reading Folders

We will send out reading books each Friday. Please send reading folders in on Tuesdays so that we quarantine for 3 days.

Get ready to  
become an  
Intrepid Explorer!
