

Year 1 and Year 2 - Miss Hedderwick's Class Letter: Spring 2 2021

Finally, the time has come, once again, that we will all be reunited at school together! I have been counting down the days and I cannot wait to cherish these last few months we have left of this school year.

We have lots of fun topics coming up for this term. Since we are into the spring now and will be beginning the summer term in a few weeks too, we will be spending the majority of our time at school outside in the fresh air. Let's get messy and have lots of fun before it's too late!

We are continuing a continuous provision approach to learning whilst still incorporating the Year 1 and 2 National Curriculum. Please don't worry about your child 'falling behind'. Every single child in the UK is in the same boat and the most important thing for them right now is to catch up on the gossip they have missed with their friends!

Our first couple of weeks back we will be focusing on Mental Health and Wellbeing. The children will have numerous opportunities to chat with their friends, express their emotions and talk about any worries they may have.

Our PSHE topic is on Rights and Responsibilities, so we will be having lots of discussions about what responsibilities we all have and what we can be responsible for in school too.

The sun is beginning to shine and it is getting warmer; things can only get better!

Reading Books:

Reading books still **need** to come into school every **Monday** and every **Thursday** with their reading record. This is to ensure reading folders have time to quarantine before the children read in school, and so we can change their books to send home again the following day. Please try and read every day!

Tapestry!

We are still continuing to use Tapestry as our platform for sharing learning in KS1, just as we have throughout lockdown. Please continue to check regularly for any updates and to see what your child(ren) have been up to in school. You are also more than welcome to upload any learning at home!

Forest School Days:

Forest School is continuing this term and we will have our session every Tuesday afternoon. Please make sure the children bring in a coat and wellies on this day, and that they are named! We love to get muddy in the Forest.

PE

Our class' PE days are **Wednesday** and **Thursday**. Please ensure the children are dressed appropriately on these days.
