

Welcome Back to Year 2

We are so excited about welcoming you all back into our classroom and being able to speak to you face to face. It seems appropriate to pick a border showing Spring and new beginnings as it may feel like that for some of the children. Thank you so much for all of your support that you have given to your children whilst they have been learning at home. It has been so lovely to see you on the daily registration and be able to share your news. Below are just a few dates for your diary.

The children will have a weekly forest school session on a **Wednesday** afternoon. Please make sure that they bring in **old clothes to wear and wellington boots**. It is extremely muddy, and they attend the sessions come rain or shine.

We have PE on a **Thursday** in the hall and then **Tuesday morning outside**. It is really important that your child has warm clothing. Tracksuit bottoms and a warm top as well as trainers or plimsolls

We will continue to use tapestry to post photographs of your child's learning, and this has been a fantastic way of tracking the children's work that has been sent in. Please do send in anything that they get up to at the weekend or after school. I know that quite often the children will go home and show their learning to you.

Drop off and pick up

We will be using the vehicle gate for dropping off in the morning and picking up in the afternoon. It will be normal school hours from 8th March - from 8.40 for Magic Breakfast (gates close 8.55) until 3pm.
