

Year 1 and Year 2 - Miss Hedderwick's Class Letter: Summer 1 2021

Congratulations, you did it! I am so proud of every single one of you for getting through everything we have. It was tough, but you did it.

We are entering our final term of school now; summer term. This is an exciting term because we will be getting ourselves ready and prepared for our next school year, and we get lots of sunshine! Get ready for outdoor learning all day every day, painting, designing, building, planting, running; anything you can put your mind to - we will be doing it!

Please ensure you read all necessary information about this next term as there have been a few day changes regarding PE and Forest School. As always, please continue to check Tapestry daily for any extra information and updates on learning in school. Last but not least, as we are now entering Summer term, please can all children have a named bottle with water in!

Please continue to stay safe and look after yourselves.

Reading Books:

Reading books still **need** to come into school every **MONDAY** and every **THURSDAY** with their reading record. Please try and read every day at home!

Tapestry:

Please continue to check regularly for any updates and to see what your child(ren) have been up to in school. You are also more than welcome to upload any learning at home!

Forest School Days:

Our Forest School days are changing to **WEDNESDAYS** for summer term. Please ensure children bring in appropriate clothing. Even though we are going into summer, we may still have a few rainy muddy days! Coats and wellies - named in a plastic bag please.

PE:

Our class' PE days are now **TUESDAY** and **THURSDAY**. Please ensure the children are dressed appropriately on these days.

Throwback to last summer!
