

A decorative border of sunflowers surrounds the text. There are two rows of nine sunflowers at the top and bottom. On the left and right sides, there are vertical columns of sunflowers, with one sunflower positioned between each row of the top and bottom borders.

EYFS Summer 1 Newsletter

Hello Everyone!

Welcome back to school for the Summer Term – hopefully we will have lots of sunny days for playing and learning.....who knows, we may even have the chance to all get together before the end of July!

This term our topic focus will be `Recycling` and we plan to join with Year One – Miss Kent’s Class - for some fun activities outside in the garden! As usual we plan to read as many stories as we possibly can. I plan to let you know what these are via Tapestry so that you can either purchase your own copy or listen again on You Tube if it is one that your child has particularly enjoyed!!

We are looking forward to having a whole uninterrupted term of playing and learning with your wonderful children. Please remember that we are all super smilers behind our masks!!

Take care everyone – stay safe – keep in touch!

Love from Mrs Rowe, Mrs Bright, Mrs Wallace, Mrs Parker and Miss Knight xxxx

Water Bottles

Please remember to send your child into school with their own water bottle every day. This is the safest way to ensure your child gets plenty to drink during the day as their drink bottles are always accessible to them.

Make sure they are taken home each day and given a good wash to avoid any cross contamination or germs!

Thank you to those who already do this!

Planting and Growing

If you have any spare pots and compost at home that you no longer need – please can you donate to us so that we can do some planting of seeds and watching them grow with the children!

Thank you in advance!

Weather Watch

Although we are now officially in `Summer Time` please make sure your child still has a jumper/cardigan and a jacket with them in school every day! Our garden area can be very chilly as it faces north!

On sunny days a sun hat could be a great idea too!

Reading Books

Thank you so much to those of you who have been reading regularly with your child at home – this is absolutely invaluable!!

As per last term, please send your child’s popper wallet into school on a MONDAY.

During the week we will hear your child read and then change books and send the popper wallet and the new book home on FRIDAY.

The navy blue book bag does not need to be in school every day, but if you find it easier to transport the popper wallet in this then that is fine! I know many of the children are really proud of their new `bookbag`!

Remember to decorate and personalise this if you haven’t done so already!

Keeping in Touch

Thank you so much to those of you who booked a parent consultation with me before the Easter break. It was lovely to chat with you all and to share any challenges associated with helping your child at home!

I cannot stress enough, the best way to keep in touch with the EYFS team at the moment is via Tapestry – so please check your account every day!
