

# Journey 3/4 Summer 1 Term class letter

Mrs Robinson and Miss Goddard

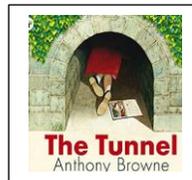

## Welcome to Summer Term!

I hope you all had a lovely Easter break and enjoyed eating lots of chocolate eggs!

Firstly, I would like to say well done to the whole class for settling back into school last half term, after such a long time away from the school routine. Everyone worked really hard and really made those 3 short weeks in school count.

This half term is packed full of exciting learning opportunities as well as lots of opportunities to get outside, run around and socialise with your friends.

Here are a few of the things we will be doing – We will start our English learning journey with an exciting adventure story, *The Tunnel*, by *Anthony Browne*. Where does the tunnel lead to?

Miss Goddard and I are looking forward to hearing everyone's ideas about what is beyond the tunnel. We will kick start the learning journey by having some imaginative fun with our own tunnel.

We all enjoyed looking at skeletons last half term, so we will continue to look at animals this half term and will focus on digestion. Further information about what will be covered this half term can be found on our medium term plan.

If you have any questions or queries, please feel free to contact me via the school office or email address.

Mrs Robinson

## Key Information

**Start time:** School will be open at 8.40 am for 'Magic breakfast'. Please continue to use the same entrance as you were using last half term.

**Finish time:** 3.00pm. Again, we will use the same route to leave school as we were doing last half term.

**P.E:** Our P.E days will be on Tuesday and Fridays. We will be outside as much as possible for P.E so please make sure that **P.E uniform** and trainers are worn on these days. Jogging bottoms and school jumpers can be worn if it is chilly.

**Forest School:** Thursday afternoons. Wellies or old trainers will be needed for forest school sessions, as well as a waterproof coat.

**What you need every day:** It can still be very chilly this time of year so **bring a coat** and also, our classroom will still be well ventilated with windows open so make sure that you have a school jumper with you. Please bring a **water bottle** everyday as you need to keep hydrated. It is not always possible for us to have a supply of clean cups for you to use in the classroom.
