

# YEAR 6

**Welcome back everyone!**

We hope you had a lovely Easter break and were able to safely enjoy the easing of restrictions as well as a mix of sunshine and the odd snow flurry!

This is the start of a particularly special term as a Year 6 and, as well as a wide range of learning opportunities and experiences, we have lots of ideas to help celebrate your Oakfield journey as well as support you through the transition to Secondary School – we understand that there can be a whole range of emotions for Y6 children and their families during the Summer term but we're here to listen, support and guide you in whatever way we can.

Learning and break/lunch times will continue to be spent in our Y6 class bubble for now and we have lots to learn and memories to make together whilst enjoying our beautiful school grounds to the full as the weather gets better and better.

We look forward to sharing these Summer term weeks with you!
