

Mrs Bridle's Class letter Summer 1 Term 2021

Welcome to the summer term, let's hope that we see the sunshine and feel the warmth this term. As we see new life emerge and longer lighter days we can hopefully get outdoors and enjoy the fresh air more.

This term in English we are focusing on Flotsam and Jetsam and looking at a book by Mark Wiesner to compliment this topic. If you take a walk along a beach and discover flotsam, please do bring it in to school and we can capture it in our net! It is amazing the rubbish that gets washed up on a beach.

We are also looking at first aid skills and how these relate to Florence Nightingale, we will be setting up a field hospital and seeing how much a hospital has changed from Florence's time.

Spellings will be put on Tapestry so please do look each week. If you have not received a login then please do let me know.

Maths will focus on 3d shape, addition, subtraction, multiplication and division. Any practise at home of times tables would be fantastic.

Art

We will be finishing off our water colour pictures looking at the artist Fred Fieber and then moving onto looking at architecture and designing. The children will make their own houses using card and foam.

We realise how tricky coming back into school after a break can be, however we are talking about a lot of issues that the children raise and giving time to unpack these and finding strategies to help them re-adjust.

Water bottles

Please make sure that your child comes to school with a named water bottle. The children tend to drink throughout the day which is great, and it is important that they stay hydrated especially on PE days.

Reading Books

Reading books need to come into school **every day**. Last term most of the children remembered them which was fantastic.

PE

This term in PE we will be looking at multi-skills and athletics. PE is on a Tuesday and Thursday and please make sure that warm clothing and trainers or plimsolls are worn. **Forest School** sessions are now every Tuesday afternoon. Wellies still needed!
