Pupils moving up to Medina College have recently met Mrs Tuck who was keen to find out all about them! The college website is updated weekly and their newsletter is a useful read; providing many summer home learning ideas and top tips for transition.

Pupils moving on to The Bay CE School will have the chance to meet staff by using Google Meet. Mrs Plested will host these during the summer term. Families have all received a welcome postcard and information letter.

Further information about September will be sent to families as soon as possible.

Christ the King College

Pupils moving up to Christ the King College will meet with their transition team this term at Oakfield. A letter was sent to parents at the end of April which contained details about transition activities including school tours and a tea party!

We are here for you all. Please email us if you have a question and we will find out the answer for you.

All of the high school websites have a transition page and contact details will be on any letters they send you too.
