

OAKFIELD LIFE

CE AIDED PRIMARY SCHOOL

Beyond the Classroom

EDITION

Have a look inside this special 'Beyond the Classroom' Edition of Oakfield Life to see the wider school offer in action!

A Message from Mrs Reader...

Well SATs are over for another year. There was a lot in the media this year about the difficult level of the tests and some schools feeling that this was unfair and that pupils were upset and anxious. Let me reassure you that this was not what we saw in our year 6 pupils at Oakfield. Each and every day they came to school with a positive, determined attitude and supported each other to try their best which is all we ever ask.

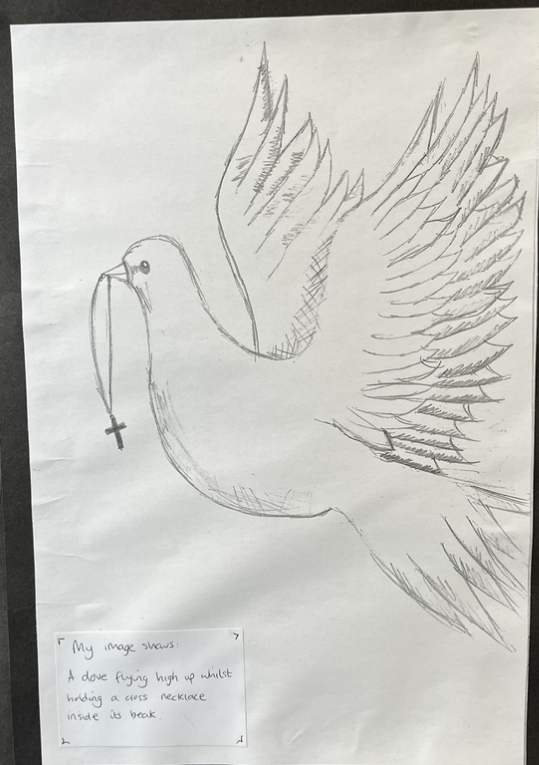

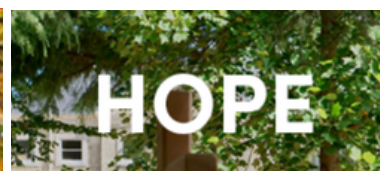

At the end of the week the jingle of Wight Ices caused much excitement; a well deserved treat for everyone involved. Huge thanks too to Mrs Collinson and the PCG who have part funded and produced our lovely leavers' hoodies this year.

We are excited for our last half term with them all; it'll be a busy few weeks as we get them prepared for leaving Oakfield and looking forward to the next chapter in their education.

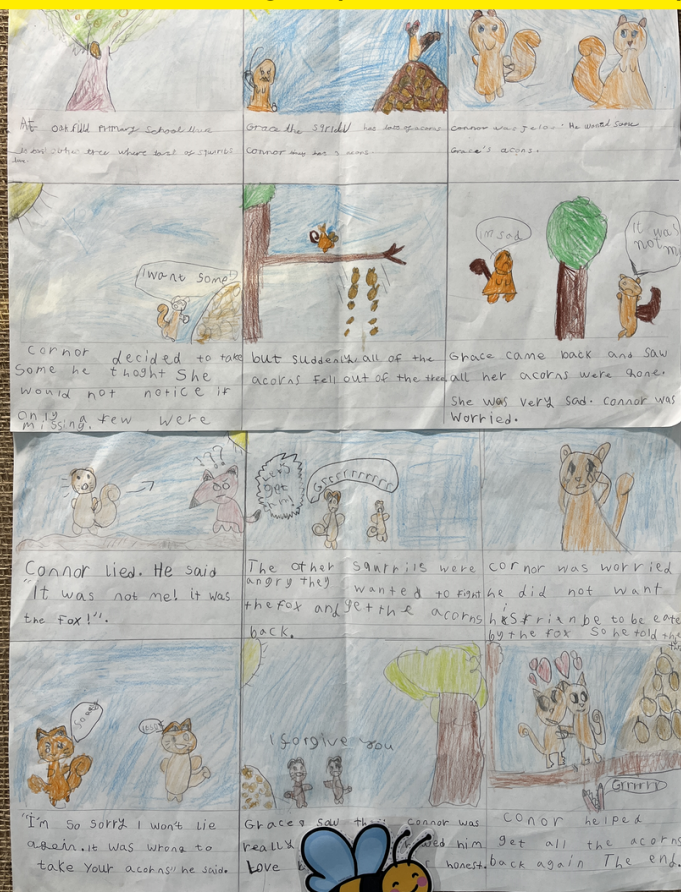

Thankyou to the children and families who supported our trial of additional tutoring after school. The children were always so enthusiastic and even shared with me that they enjoyed the extra time that they got to have with their class teacher in a small group after 3 o'clock. In order for us to consider if this is something we can offer in the future, I will be speaking with the teachers and looking at whether it has made the difference we hoped. I will update families at my summer term Headteacher catch up meeting.

My image shows
A dove flying high up whilst
holding a cross necklace
inside its beak.

Izzy Hartnell

Mrs Robinson's group 'school values' story!

ATTENDANCE

Percentage attendance this half term by class

Miss Walls: 95%	Miss Kent: 92%	Mrs Rowe: 95%
Mis Chessell: 95%	Mrs Robinson: 90%	Miss Jackson: 94%
Mr Snelling: 95%	Mrs Cascarini: 91%	Mrs Stanford: 97%

No. of children 100% attendance this half term

Miss Walls: 10	Miss Kent: 6	Mrs Rowe: 6
Miss Chessell: 14	Mrs Robinson: 7	Miss Jackson: 9
Mr Snelling: 14	Mrs Cascarini: 5	Mrs Stanford: 12

Royal Coronation Junior Prom at Osborne House

Miss Jackson's class headed for a twilight picnic performance on the lawn outside the front of Osborne House to take part in the Royal Coronation Junior Prom! Schools were invited to prepare songs or pieces of music with a ROYAL connection to participate in this wonderful outdoor Junior Prom celebrating the King's Coronation. The children prepared and practised two songs for the occasion; To the Sound of Trumpets and A Million Dreams. In true Oakfield style, the children sang their hearts out and everyone cheered the biggest cheer! Mrs Rowe, Miss Norwood and Mrs Reader were so incredibly proud of the children, who formed the smallest group performing by far but did not let this worry them!

Parents and families were invited to come and watch for free and bring a picnic to have on the lawn in front of the house where the performances took place and it was wonderful to see so many families in support.

The children exuded our school values throughout with fantastic behaviour, enthusiasm, commitment and performance!

They really shone like the true stars that they are.

OUTDOOR LEARNING AT OAKFIELD

This half term we have used new equipment in our Forest School Sessions. We used rakes to collect the grass and create a huge barrel of compost to use in our gardening.

Prepared and drilled wood for the future Father's Day projects.

Created 6 bug hotels, using natural materials: jute TESCO bag, bamboo sticks, leaves and cones.

It has been very tricky to ignite the fire, using Flint and steel. It took 15 attempts, which was 10 more than in Autumn

We had a cooking on fire session and cooked nettle pancakes, using nettle leaves from our forest.

Celebrated The king Charles' III Coronation: made his portrait, using natural material, painted The British flag using the leaves off the floor.

We had a Yes/ No quiz and learnt about King Charles III favourite animal and a flower!

We have enjoyed nettle and mint tea

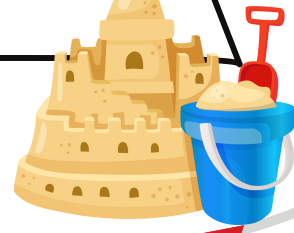

We have enjoyed creating Mud Art.

We created a new worm farm!

The King's Coronation

On Friday 5th May, the whole school celebrated the upcoming King's Coronation by coming in to school dressed in red, white and blue. We made crowns and ate cupcakes which Mrs Reader's Mum kindly made us - all 220 of them - before heading down to Appley beach with our royal high tea, our union jack flags and our gifts of a red and blue bucket and spade.

We had a huge area of the beach marked out and after we had enjoyed our picnic, we worked in our class teams to build a sand castle for the Royal competition. We worked so hard in our teams; communicating, collaborating and thinking creatively to bring our creations to life.

Have a look at our final pieces - what do you think?

We finished our wonderful celebration by spelling out the word 'KING' with our bodies- the whole school joined in! We had such a fantastic afternoon celebrating together.

Beach Party... Oakfield Style!

LITTLE ACORNS NURSERY

'Nursery in Nature'

The Little Acorns have been enjoying the freedom of the beach to observe the ever-changing environment, to take risks and to learn to assess risk for themselves through adults' open-ended questions. All aspects of the curriculum can be taught outside through discovery, investigation, and storytelling that stimulates shared thinking; learning at the beach demonstrate topics in a real context, engaging all of the senses and creating a stable base for future learning.

Nutmeg, our favourite red Squirrel, joined us on a trip to the beach! Nutmeg was made for us by Ollie's very clever mummy and enjoys joining us on our adventures! We showed him how to build a sandcastle!

Whilst at the beach, through play and exploration the Little Acorns are learning about the tides, beach ecosystems and wildlife conservation; sensory activities; beach crafts; team-building games; imaginative activities; physical play and construction; assessing risk and safety; observing flora and fauna; observing seasons, weather and tides; building shelter; role playing with found resources; and sand and stone play. We aim to give each child a happy, positive and fun start to their education journey so that they can establish solid foundations on which to expand and foster a deep love of learning.

The children have fun learning about cause and effect as they try to build a sand-castle with dry sand, then explore the early learning in Science around changing of materials when they pour water on the sand and try again! The success they feel when this works encourages them to explore further and test out other ideas to build on their prior learning.

The children collaborate and communicate with each other confidently, without the need for adult interaction. Working together to bury their friends in the sand! We are so lucky to be able to walk down to the beach regularly!

"The delights of the outdoors are among the deepest, most passionate joys of childhood." (Dena Bawinkel)

RECEPTION

We have absolutely loved our swimming lessons so far!

After lunch, we enjoy getting into pairs and excitedly putting on hi-vis jackets before setting off on our walk down to Waterside Swimming Pool. Often we play eye spy whilst walking down altogether!

We have learned a lot about road safety too, making sure to listen to the adults and wait until an adult has told us it is safe to cross the road. We are becoming more and more independent changing into our swimming costumes/school uniform too.

In our lessons, we have been getting used to being in the water and have used lots of different types of floats to help us paddle in the water. The swimming teachers have also helped us to swim a short distance in the shallow water too. We can't wait to continue our lessons after May half term.

YEAR 1

LOCAL EXPLORERS

We have been exploring our local area and thinking about why tourists like to visit our island. The best way to investigate is to become explorers ourselves.

Just like Amelia Earhart our favourite adventurer, we set off on our journey to check out local tourist attractions along our beautiful seafront and visited a local hotel.

Along the way we spotted Ryde Inshore Rescue, the Canoe Lake, Peter Pan's, Hovertravel and lots of cafes and holidaymakers.

When we arrived at The Royal Esplanade Hotel we were met by Bobbie and Lisa. They checked us in and gave us a tour of the hotel. We climbed hundreds of stairs and saw the bedrooms where guests sleep. Next we visited the dining rooms and Bobbie showed us how to lay the table and serve the food properly. Finally we had snacks and a mini disco! We loved our visit and want to go back! We are going to write a postcard to our families to tell them all about our trip.

YEAR 2

SPECIAL food

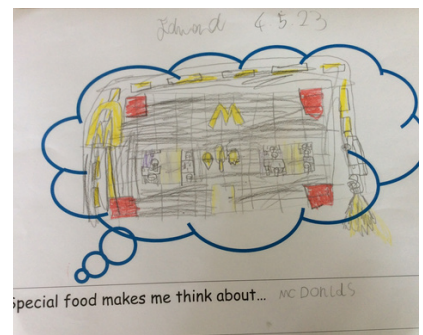

We have been talking about and sharing ideas related to Special Food in our R.E. lessons this term.

Lots of pupils mentioned about having special food on birthdays, at Christmas, at Easter and at family gatherings.

We voted in class on our own special foods - the winner was McDonalds and pizza!

We linked special food with thoughts... challenging ourselves to share what our special foods made us think of... suggestions included...holidays, movie nights, Eid, parties & picnics.

We linked our learning to the experience of Christians by learning about the symbolism of bread and wine - how this represents the body and blood of Jesus. We shared bread and red juice together outside - just like Jesus did with his disciples before he died.

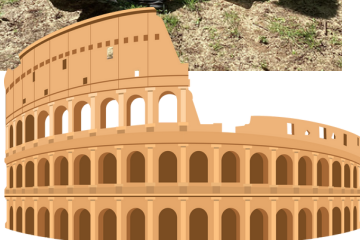

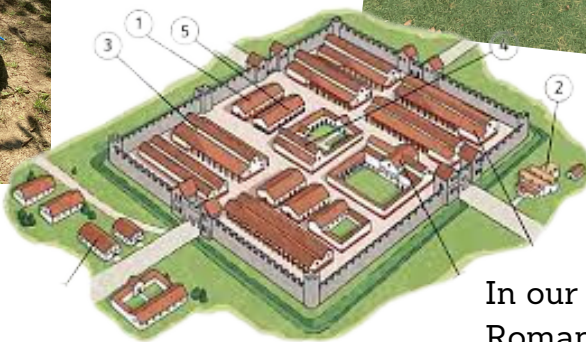

YEAR 3

The Romans

This term, we have taken part in several outdoor History lessons. Our first lesson focused on learning some of the new vocabulary we would need to know when talking about the Romans. We had a sheet of pictures and had to go around the school grounds and find cones with the picture to help us label what each picture was showing. We engaged brilliantly in this lesson even though it was drizzling!

In our next History lesson, we looked at Roman forts in preparation for learning about the Roman invasion. We had to label the areas of the fort by reading clues stuck to cones. We worked well either independently, in pairs or in groups as it was up to us how we wanted to learn! We worked so well as a group supporting one another with reading and solving the clues.

YEAR 3/4

MEASURE

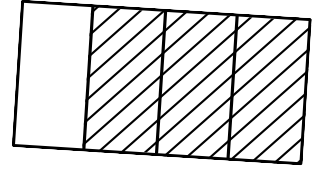

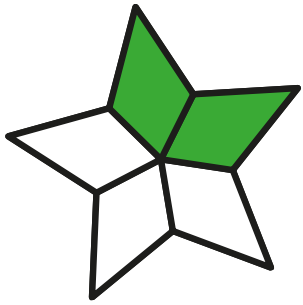

We have been calculating the perimeter of shapes. Outside, we have been measuring all sides of objects and then adding them together to work out the perimeter. We also drew our own shapes with chalk and worked together to measure and calculate the perimeter.

We are now learning to tell the time. We have played 'What's the time Mr Wolf' to help us to revise telling the time (o'clock and half past) and we have also drawn our own clocks, making sure that we clearly show the hour and the minute hand. After this, we moved onto quarter to and quarter past the hour.

YEAR 4

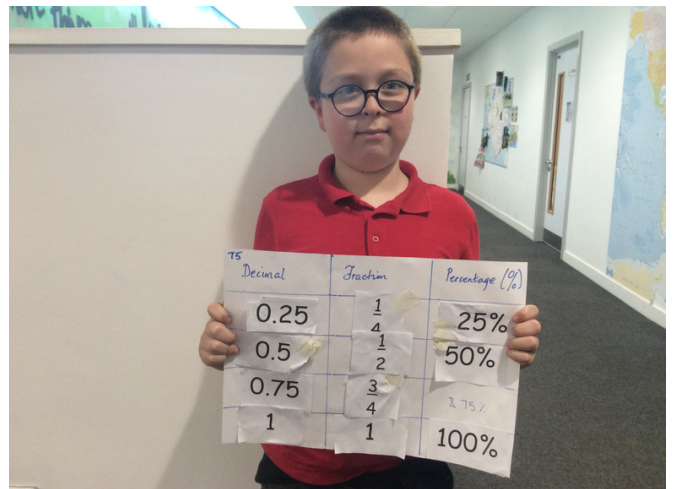

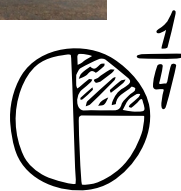

In Year 4 we have been learning about fractions, decimals and percentages. Our outdoor lesson set us the challenge of finding equivalents of each and presenting them in table form.

Team captains were appointed and tactics decided upon. All the teams came very close to completing the challenge in the allotted time. More importantly, the task cemented our understanding of equivalent fractions, decimals and percentages.

$\frac{1}{2}$

Owen, the winning team captain, gave a short presentation to the rest of the class explaining his team's completed table.

YEAR 5/6

AHOY MATEY!

Year 5 have had the most enjoyable time at Sea View Yacht Club. We have learnt how to prepare and launch our boats and the intricacies of sailing them. We have really used our team spirit to help each other and encourage.

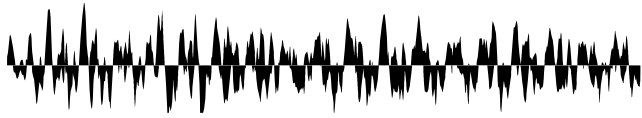

Look at our skills in action!

Not everyone in Year 5 has had his or her sailing opportunity. However, do not fear, the second group of Year 5 will start their adventures early next half term.

YEAR 5/6

IN SCIENCE, WE HAVE JUST STARTED TO EXPLORE ABOUT...

Sound

We have begun the topic with a science investigation which we completed outside. Before we investigated using the equipment, we had a think about some musical instruments we already know of and whether we could explain how they worked.

We explored some different instruments, and we also used rice to look at the vibrations created when we hit a drum. The children were able to make careful observations, and work well in small groups.

Do you know what 'frequency' and 'amplitude' mean?

If not, see if you can find out with one of your grown ups!

volume	How loud or quiet something is
vibration	shaking back and forth of something
sound wave	Another name for the vibrations which cause sound
pitch	How high or low a sound is
faint	Something that is hard to hear
insulation	Something that stops sound

YEAR 6

Taking our learning OUTSIDE

think
OUTSIDE
the BOX

In between SATs revision mode this half term, Year 6 have still been making the most of outdoor learning when possible.

In Science, we had a carousel of investigations set up in our outside area. The investigations helped us to understand how sound is made and what happens to the vibrations when sound is louder and quieter.

It has been lovely to get out on to the field for PE. Our topic this half term is athletics; we have practised our throwing skills before measuring our throws to help with our maths.

We were then able to work out the mode, median and mean.

To help us prepare for our SPaG test, we have been playing SPAG games outside. Our favourite is 'Quiz, Quiz, Trade', which involves quizzing our friends on SPAG terms and then trading fact cards.

This half term we have...

Used the Green house

Gardening Club

We have used new gardening equipment; rakes & wheelbarrows

We have created 2 Compost barrels, using the cut grass from the field

We have learnt about saving rain water and how we can reuse this in the garden.

Bee Keeping Club

Together with the bee keeper, the children opened the beehive for the summer cycle.

We have planted Garlic Potatoes, Poppies, Swede, Parsnips, Carrots, Tomatoes & Pumpkins,

We have checked the beehive, given them water and learnt about bee diseases.

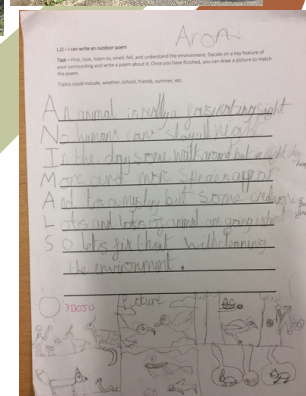

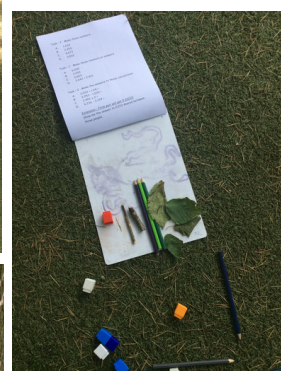

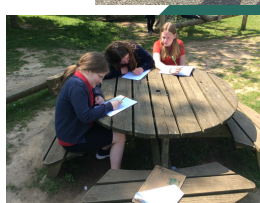

We have also carried out some important research about counting bees and counting how long they pollinate flowers for.

This is the second time we have taken part in this event; although it is easy to do as we do lots of learning outside at Oakfield!

Our last date in November was unfortunately a bit of a wash out due to torrential rain, however today was a beautiful day which meant more of us were able to get out in a more purposeful manner. We will go out all weathers, it just means activities need to be adapted to suit the forecast.

It was great to see so many classes outside at the same time, engaged in their different learning. A lot of the sessions were outdoor maths, but there were links to Geography throughout. The children seemed to focus for longer on their activities, and there was excellent team work across the board. Mrs Cascarini's class collected litter across the site, sorted the litter and then used the information to put into tally charts. Mr C took Miss Chessell's class on a multiplication hunt; each sum had a letter with the correct answer! Miss Kent's enjoyed an outside worship and stories, and Mr Snelling's class represented numbers (including decimals) with different outdoor objects. Mrs Stanford's class had the tough task of estimating the height of one of our tallest trees! Ask your child what they got up to that day

Spanish

En el Jardín Español

In the Spanish Garden

las fresas

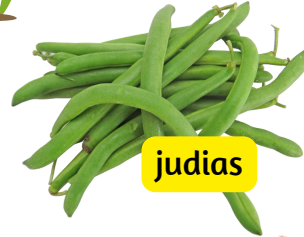

patatas

guisantes

judias

rabanos

girasoles

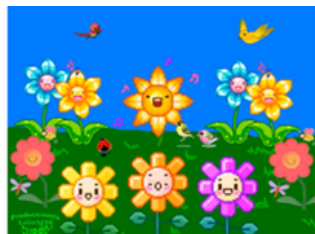

Years 1 and 2 have been busy in the Spanish garden this summer. We have planted potatoes (patatas), peas (guisantes), sunflowers (girasoles), beans (judias), radishes (rabanos) and are looking after the strawberry patch (las fresas). Year 2 learnt how to say and write the different parts of a plant. We had fun on our a minibeast hunt, searching for real and knitted insects.

Can you match the Spanish words with the English words? (Some words look similar in both languages).

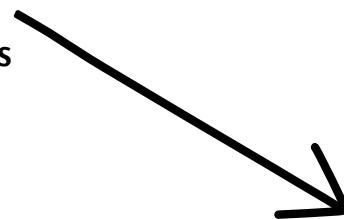

Click on the link to hear a Spanish song about the flowers.

agua

insects
flower
water
potato
sunflower

UKSA

On 15th May most of year 6 went to UKSA in Cowes. It was a sunny and breezy day, perfect for taking out the little dinghy boats. We were in groups of 2 and 3 with lots of instructors to help us. They attached our boats to their ribs and pulled us out into the harbour. Once we'd clicked the rudder into place we were set free! We had to use the rudder to steer ourselves in the wind. We had to remember that if we steered right, the dinghy went left and vice versa! It was quite hard to keep ourselves going straight but we managed to get to our instructors' boats quite a few times. At the end our instructors attached our dinghies together one behind the other and steered us round in circles to fold away the sails.

Year 4

This was the first time our Year 4 children had taken part in a handball festival and it is safe to say they thoroughly enjoyed themselves! Rufus made an excellent captain, always showing true sportsmanship and supporting his team well. The games were divided into two halves, with the girls playing first and the boys playing second. The matches were fast and furious and Oakfield grew in confidence with every match. We played 5 matches and won 3, drew 1 and lost 1. William made many excellent saves in goal, as did Molly, who showed what a great team player she was when she became the goalkeeper for the girls when no-one else wanted to.

A huge well done to the following Year 4 children: Rufus, Edan, William, Cadyn, Jamie and Brannon, Emilia, Amira, Brooke, Olivia, Molly and Faye.

HANDBALL FESTIVAL

Year 6

Our boys were captained by Brooklyn, and our girls by Izzy, who both did an excellent job of organising our teams. The format for each match was that the boys played the first half, and the girls the second half.

We narrowly lost the first match 1-2 against Godshill, but thundered back winning 5-1 against Nineacres. Our hopes of advancing to the quarter finals were ended by the very organised and experienced Greemount, who would have proved difficult opposition for any team.

Success came in a Mini League which followed, when we won 2 out of the 3 fixtures. It was a very strong finish, showing the improvement our team made throughout the event.

Every single one of our players gave 100% and they were all great ambassadors for our school. Well done!

Boy's Team - Brooklyn (Captain), Ethan C, Roman, Jenson, Dylan, Ahmed, Alex and Ryan.

Girl's Team - Isabelle (Captain), Rubi, Frankie, Kaela, Jenna, Sienna, Ena and Talullah.

OAKFIELD

C.E. AIDED PRIMARY SCHOOL

The children will also be completing carousel activities during the Tuesday and so will need to be in PE kit with their house colour top/band Monday-Wednesday.

Please bring a blanket/ chair to sit on and your picnic. Children in receipt of Free School Meals will get a school picnic lunch.

Please do not go out and buy a coloured t-shirt to match your child's house colour - any top that colour will do, if not we have sports bands to show which house colour they are in.

SPORTS WEEK @ OAKFIELD

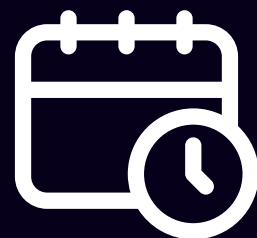

We are pleased to be able to invite you to a picnic on the field and to come and cheer on your child in the race part of our sports carousel during this week. Following feedback from families, all races will be completed in the morning and will end with the family picnic

Wednesday 21st June

Morning

All Classes incl. Little Acorns races followed by picnic.

Plant and Bake Sale

Sat. 27th May

10am – 12.30pm

Teas & Coffees & Cake & Chat

Also books, puzzles, a raffle, tombola and more!

UPDATE > FROM ST JOHN'S CHURCH

On Saturday 13th May - we held an 'extra' Messy Church to celebrate the coronation of King Charles.

21 children attended - most of these from Oakfield School!!

We heard the story of King Saul from the Old Testament - where God chose him to be a king. Saul didn't think he was good enough but God knew better!

We had popcorn whilst we listened to the story.

Craft activities included making an orb, a sceptre, a crown, decorating a crown biscuit and experimenting with coloured oils, glitter and water.

we sang some well known songs - King of Kings and King of Love Praise you!

The afternoon ended with a yummy tea provided by the lovely ladies in the kitchen!

A massive thankyou to all who attended - participants & helpers
- God Save the King!

Messy Church has finished for the Summer now but keep your eyes peeled for a date of its return in September!

ALL ABOUT US

Parent and Community Group

WHAT WE HAVE ACHIEVED SINCE SEPTEMBER

- £1200 IN FREE BOOKS FOR THE SCHOOL
 - £1000 RAISED FROM EVENTS
- PURCHASED NEW GAZEBOS FOR SPORTS/ BEACH DAYS
 - CONTRIBUTED TO LEAVERS HOODIES
 - RAISED £150 FOR CHILDREN IN NEED
- £455 FROM TESCO CHARITY BOOKSTORE

THE HUB

family friendly place, we hold Acorn Tots on a Tuesday from morning drop off.

The Food Pantry also runs in the hub Mondays, Wednesday & Fridays.

WHO WE ARE

We are a small friendly group that not only plan events but provide support and friendship.

We meet Mondays from 2-3pm in the family hub.

Children/babies welcome and as much tea/coffee as you can drink

VOLUNTEERING

If you can't make it to our meeting for planning events there are other ways you can help:

- Volunteer for events
- Join our Facebook group OAKFIELD PARENT AND COMMUNITY GROUP
- If you have any ideas/ feedback on events we have run please feel free to comment on our page.
- Donate items for school events, we are always looking for books, unused gifts ect.

WHAT WE WANT TO ACHIEVE

- ENRICHING YOUR CHILDS EDUCATION EXPERIENCE BY HELPING WITH COSTS OF EXTRACURRICULAR ACTIVITIES
- WE ARE CONCENTRATING ON RAISING FUNDS FOR IPADS FOR EACH CLASS (THERES ONLY 15 IN THE WHOLE SCHOOL)
- MAKING MEMORIES YOUR CHILD WON'T FORGET

UPCOMING EVENTS

RAINBOW MUFTI DAY

30th June 23

We would love the children wear their brightest outfits to school.

INSTEAD OF A CASH DONATION WE WOULD LOVE FOR AN ITEM IN THE COLOUR ALLOCATED TO YOUR CLASS TO BE BROUGHT INTO SCHOOL.

DONATIONS WILL CREATE RAINBOW HAMPERS FOR A RAFFLE AT THE SUMMER FAYRE.

- EXAMPLES
- SWEETS
- CHOCOLATE
- SOFT DRINKS
- WINE/BEER
- STATIONARY
- CANDLES
- ACCESSORIES
- TOYS
- GAMES
- TOILETRIES
- NO PERISHABLE FOOD PLEASE

OAKFIELD
C.E. AIDED PRIMARY SCHOOL

**YOUNG
REPORTER**

Ella-Mae (y3) is our young reporter for our summer 1 Oakfield Life. She interviewed our new Admin Assistant, Miss Rea (pronounced Ray) so that our school community could find out more about her. She will be a familiar face in the school office!

How long have you worked at Oakfield?

5 weeks, I joined just before Easter.

What did you do before you worked here?

I worked at Mountbatten Hospice making sure 500 staff were paid!

What's the best thing about your job?

The children; I like knowing my work is making a difference to you all

Can you describe Oakfield in 3 words?

*Welcoming
Special
Wholesome*

What's your favourite animal?

Elephant

What is your favourite colour?

Burgundy

What other jobs have you had?

*Photographer
Clothes shop assisant
Waitress*

If you could do an Acorn award which one would it be?

Definitely something arty crafty - I really like getting creative, like making things out of toilet roll tubes!

THANK
YOU
😊

Miss Rea was the busy bee working very hard behind the scene to organise our Careers Day this week!
