Maths	One Of Thirty-Six Can you find the chosen number from this square using the clues below? 1. The number is odd. 2. It is a multiple of three. 3. It is smaller than 7x4. 4. Its tens digit is even. 5. It is the greater of the two possibilities. <table><tr><td>1</td><td>2</td><td>3</td><td>4</td><td>5</td><td>6</td></tr><tr><td>7</td><td>8</td><td>9</td><td>10</td><td>11</td><td>12</td></tr><tr><td>13</td><td>14</td><td>15</td><td>16</td><td>17</td><td>18</td></tr><tr><td>19</td><td>20</td><td>21</td><td>22</td><td>23</td><td>24</td></tr><tr><td>25</td><td>26</td><td>27</td><td>28</td><td>29</td><td>30</td></tr><tr><td>31</td><td>32</td><td>33</td><td>34</td><td>35</td><td>36</td></tr></table> Thousands more problems can be found on the NRICH Maths website: http://nrich.maths.org	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	Make every circle add up to 99 53 49 41 57 21 13 25 17 45 37 33 61 29	https://nrich.maths.org/5929 Label the scale in metres. Sea level is 0	156 + 12 156 x 12 156 - 12 156 ÷ 12 1. Complete these calculations 2. Find the range – take the smallest answer away from the largest 3. Find the mean - add the answers together and divide your total by 4. https://www.bbc.co.uk/bitesize/topics/zm49q6f/articles/z99jpbk	English	An Ocean Adventure Use the first couple of days this week to create your story characters and setting Character Ideas Fish, turtles, sharks, divers, surfers, marine biologist, pirate, whales, dolphins. Are you a group or on your own? Draw and write a short character description for each character – are they good/bad? Setting Shipwreck, mermaid palace, beach, rock pool, coral reef, open ocean, lagoon. Does the setting change? https://www.bbc.co.uk/teach/class-clips-video/science-ks1-ks2-wonders-of-nature-underwater-world/zh3vgwx	Plot and planning Of course this adventure is up to you but here is an idea for a story structure: Introduce characters having a 'normal' day (add detail to show character personalities and setting) They meet someone new or come across something they've not seen before (new setting or character) They become curious and go somewhere they shouldn't (problem) They are rescued by a familiar face Do they decide never to go again...or not....	Writing your story We'd like you to include some dialogue (a conversation) between your characters during the story. Don't forget to use speech punctuation and a new line for each speaker https://www.bbc.co.uk/bitesize/clips/zvftsbk Don't forget a title to entice your reader! Please share your adventure stories with us via our key stage email.

Topic	Art Choose a sea creature and create it in 2 different styles. Chalk, paint dots, pastels, pencil shading, collage. Examples below:	Science Food Chains Use your general knowledge and this website to draw and label 3 different ocean food chains. https://www.nationalgeographic.com/environment/oceans/take-action/marine-food-chain/	Music Compose a piece of music to represent the sea. You could use your hands for clapping, junk instruments, glasses filled with different amounts of water, a traditional instrument if you have one or a mixture of all of these! Ideas: Calm, slow animals (sting ray, turtle) Animals in battle Coral reef waving in the waves	History Find out about a famous shipwreck and chose a way to share with us what you've found out: A picture Model Fact file PowerPoint presentation	Quiz Time Which is the world's largest Ocean? Name 3 countries which boarder the Mediterranean sea. How much of the Earth's surface is covered by oceans? Which marine animal is often known as a sea cow?
