

Mr Lycett and Mrs Cascarini: Year 3

SUMMER TERM 2 CLASS LETTER

KEY INFORMATION

Welcome to Summer 2!

Wow, this year has flown by and we're now near the end. We've made so much progress and made some lovely memories along the way! It's hard to believe that we're now preparing for Year 4.

We've still got lots of opportunities for learning and have some exciting things planned for this last half term including a trip to Brading Roman Villa which will support our learning in History and English.

We will continue to have Coach Andy for PE on Thursday but I am excited to share that we will be moving our second PE day to Monday as we'll be having some additional cricket sessions thanks to the schools' Chance to Shine programme.

In History will be learning about how the Roman Empire impacted Britain, why they were so powerful and what they did for us. Our English text 'Escape from Pompeii' tells the story of the eruption Mount Vesuvius which links to our prior learning in Geography and will link to this half term's History.

In PSHE our topic is Growing and Changing. This focuses on relationships, body changes, personal space and basic first aid.

Please see the curriculum overview for all other areas of learning during Summer 2. You can email ks2@oskfieldcepri.iow.sch.uk if you have any questions, or for an urgent response call the school office to arrange a meeting/phone call. I am always happy to help.

We look forward to welcoming you back on Monday!
Mr Lycett, Mrs Cascarini and Miss Sheppard

General:

Please continue to read at home with your children as often as possible. The expectation is at least five times per week and should be recorded in your child's reading record. Children are awarded class dojo points for reading and remembering to bring in their reading folders each day.

Please ensure your child comes into school each day with a named water bottle. This is even more important now that the weather is getting hotter and we will be spending more time outside.

REMINDER: Toys/Teddy bears are not allowed in school unless previously discussed with Mr Lycett. These can cause distraction which results in lost learning time. Any toys will be confiscated and handed into the main office for collection at the end of the day.
