

TEACHERS: Mrs Cambra

AUTUMN TERM 1 CLASS LETTER

KEY INFORMATION

Welcome back!

Welcome to your final year of primary school – year 6! It's going to be an exciting and busy year and we cannot wait to get started. I'm really looking forward to working with the Oakfield team and teaching you alongside our attuned adults Tracie and Miss Sheppard.

Parents/Carers, we want to make this year a memorable time in your child's primary education. Year 6 is a key season in every child's life; they will develop more independence, a huge amount of resilience and, most importantly, they should become very aware of who they are as both learners and as young adults.

We look forward to seeing them develop as role models for our younger pupils and see them feel the pride that comes with taking on a special responsibility or overcoming a new challenge.

Home learning will be sent home each Friday; it will involve a series of practice tasks to help key knowledge stick! I will also make suggestions about online learning platforms that will support key skills such as speedy times tables recall.

In our learning this half term, we'll be covering place value in maths, healthy bodies in science, testing out Garage Band in Music, considering our relationships in PSHE and reflecting on the concept of Peace in RE.

I look forward to meeting you at our first family learning session in September.

Kind regards,

Mrs Cambra

Super Six!

Each year group have a set of challenge books to read. Here is the year 6 selection →

General reminders:

In year 6, we expect children to take more responsibility for organising themselves and their belongings.

Reading at home (to you) is still a vital ingredient for reading fluency and stamina. This is one of the best ways of supporting your child at home.

Please provide a named, filled water bottle every day as well as forest and PE kit every week.

After Tomorrow by Gillian Cross

Skellig by David Almond

The Secret Garden by Francis Hodgson Burnett

Wonder by RJ Palacio

Artemis Fowl by Eoin Colfer
